

## Nutley Edge Activity Break COVID-19 Risk Assessment

Due to the COVID-19 outbreak there will be some changes at Nutley Edge

Where possible all guests and staff are to get a COVID-19 test before going to Nutley Edge

Our activity breaks will have less people on them so there is more space to social distance

If the weather permits we can eat our meals outside in order to social distance

Staff will wear masks when we can't social distance

Where possible all guests and staff are to wear a mask whilst travelling on the minibus

We will use social distancing circles as a reminder to keep our distance from each other

There will be less guests staying in the farmhouse and one guest per cottage (unless they need to share with a support worker)

All guests and staff need to wash their hands regularly for at least 20 seconds

For now we will do all activities on site at Nutley Edge whilst attractions and restaurants are closed

Support workers will wear masks, aprons and gloves if you need support with personal care or medication

Support workers will need to clean the bathrooms and surfaces regularly throughout each day
